

2012 GENERAL INFORMATION

If you need any assistance in reference to this tax form please feel free to call the tax office at (614) 837-4116.

- 1. MANDATORY FILING:** All full or partial year residents, **18 years or older**, or individuals who worked in the City of Pickerington and have not had tax withheld. *Filing is required by all residents whether or not tax is due.*
Failure to comply may result in civil and/or criminal penalty.
- 2. COLLEGE STUDENTS:** College students living away from home for the purpose of attending school are still considered permanent residents of Pickerington and are taxable until such time as they establish a permanent residence elsewhere and are no longer a dependent of their parents.
- 3. RETIREES:** Retirees who earn wages, operate a business, own rental property or earn other income, are required to file. If your **ONLY** income source is retirement income, check the appropriate box at the top of tax return; if previously registered as having no taxable income, you need not file.
- 4. PARTIAL YEAR RESIDENTS:** If you only lived in Pickerington part of the table year, you must file a tax return covering that time. Report the amount of income you earned while living in Pickerington. Pay statements with year-to-date figures or a statement from your payroll department must be used if available. When the actual amount you earned while living in Pickerington cannot be determined, you may divide your earnings by the number of months employed at the job arriving at an average monthly earnings figure. Use the monthly earnings figure multiplied by the number of months of residency to find your taxable amount. If you pro-rate your income, you must also pro-rate your credit on the same income. Wages earned in Pickerington are all taxable and may not be pro-rated.
PICKERINGTON SCHOOL DISTRICT 2307 INCOME TAX: School income tax is not a municipal income tax therefore, it cannot be used as a credit against Pickerington City income tax. The State of Ohio collects the school income tax.
- 5. RESIDENT CREDIT:** A city resident paying tax to his city of employment may reduce his tax liability to Pickerington by 1/2% (Formula: wages taxed by another city (W-2 Box 18) X .005). Partial year resident must figure partial year credit. If any portion of the tax paid to the employment city is refunded, credit is not allowed on the wages represented by the portion. Any deductions in taxable wage, such as 2106 expenses, must be deducted before credit calculation.
- 6. EMPLOYEE BUSINESS EXPENSES:** Most employee business expenses not reimbursed by the employer as shown on Federal Form 2106 may be deducted. To receive a deduction, Form 2106 must be filed for Federal tax purposes. Federal Schedule A expenses are not deductible. Expenses are to be incurred in the actual production of the income. If your only deduction is on Line 4 of the 2106, that is not allowed for city purposes. Form 2106 expenses may not exceed earnings from the job to which the expenses relate. Form 2106, as filed with the IRS, a copy of Federal Schedule A, and an itemization of all expenses reported must be attached for the deduction to be allowed.
- 7. MOVING EXPENSES:** Moving expenses may be deducted only for residents moving into Pickerington when reimbursed by the employer and reported on the W-2 form.
- 8. JOINT RETURNS:** Husband and wife should file joint returns no matter how state & federal returns have been filed. Both must sign the return and submit their social security numbers. To separate financial liability, individual accounts may be requested by notifying the tax office.

- 9. UNINCORPORATED BUSINESS ACTIVITY:** The net loss from an unincorporated business activity may not be used to offset salaries, wages, commissions or other compensation. However, if a taxpayer is engaged in two or more taxable business activities to be included on the same return, the net loss of one unincorporated business activity may be used to offset the profits of another for purposes of arriving at overall net profits. Losses may be carried for not more than one (1) taxable year. If carried forward loss is used, attach documentation reflecting same.
- 10. AMENDED RETURNS:** Amended returns are accepted by completing an income tax return with the words "Amended Return" written across the top and indicating the year being amended. There is a three year limitation on amended returns for expected refunds.
- 11. ESTIMATED TAX PAYMENTS:** Every person who anticipates any taxable income which is not subject to withholding of Pickerington income tax or who engages in any business, profession, enterprise or activity subject to Pickerington taxation shall file and pay estimated tax, if the amount of tax estimated is \$50.00 or more. Such payments are due on April 15, July 15, October 15 and December 15. The estimated tax form is found at the bottom of the income tax form and the first installment is due with the filing of said form. Vouchers for remaining payments are available on the city's website. **A declaration and payment of estimated tax which is less than the SAFE HARBOR amount of ninety percent (90%) of the tax owed on the final return OR one hundred percent (100%) of the previous year's tax shall not be considered in good faith and the difference shall be subject to penalties and interest. \$25.00 fee will be assessed for non-compliance plus interest of 1-1/2% per month calculated from the time the estimated payment was due and penalty of 10% of the amount owed.**
- 12. FILE YOUR RETURN BY APRIL 15.** If delinquent, a late filing fee of \$15.00 may be assessed.
INCLUDE PAYMENT OF ANY TAX DUE. NONPAYMENT WILL INCUR INTEREST CHARGES OF 1-1/2% PER MONTH UNTIL PAID AND A 10% PENALTY CHARGE.
- 13. EXTENSIONS:** Any taxpayer that has requested an extension for filing a federal income tax return may request an extension for the filing of the Pickerington income tax return. Such request may be made by filing a copy of the taxpayer's federal extension form with the Pickerington Tax Office by the original due date of the return. The extension will not extend the due date of the tax owed and any late payment of tax will be subject to interest of 1-1/2% per month and a 10% penalty. The Tax Office may deny an extension request if the taxpayer fails to timely file the request, fails to file a copy of the request for federal extension, owes any delinquent tax, penalty, interest, or assessment or has failed to file any required income tax return, report, or other related document for a prior tax period. Be advised that the due date for the filing of the current year declaration of estimated tax, if required, will not be extended.
- 14. DISCLAIMER:** Definitions and instructions are illustrative only. Chapter 882 of the Pickerington Codified Ordinance supersedes any interpretation presented.
ATTACHMENTS REQUIRED: Copies of all applicable W-2's, 1099's, IRS schedules and forms must be attached to the City of Pickerington income tax form at the time of filing.
