

INSTRUCTIONS FOR CORPORATIONS, PARTNERSHIPS, FIDUCIARY ESTATES AND TRUST RETURNS

Every business entity (individual, proprietorship, partnership, corporation, profession, etc.) whether a resident or non-resident that conducts a business in the municipality must file a return and pay tax on any net profit. Failure to comply may result in civil and/or criminal penalty.

- 1. WHEN AND WHERE TO FILE RETURNS:** Taxpayers who end their taxable year on December 31 must file on or before April 15 of the following year. Taxpayers on a fiscal or partial year basis must file within 3½ months following the end of such period.

EXTENSIONS: Any taxpayer that has requested an extension for filing a federal income tax return may request an extension for the filing of the Pickerington income tax return. Such request may be made by filing a copy of the taxpayer's federal extension form with the Pickerington Tax Office by the original due date of the return. The extension will not extend the due date of the tax owed and any late payment of tax will be subject to interest of 0.58% per month and a 15% penalty. The Tax Office may deny an extension request if the taxpayer fails to timely file the request, fails to file a copy of the request for federal extension, owes any delinquent tax, penalty, interest, or assessment or has failed to file any required income tax return, report, or other related document for a prior tax period. Be advised that the due date for the filing of the current year declaration of estimated tax, if required, will not be extended.

If you only conducted business in Pickerington during part of the taxable year, a tax return must be filed covering that time. Report the amount of income earned in Pickerington for that time or use the business allocation formula and attach a worksheet explaining your calculation.

File the return with the Pickerington Income Tax Department, 100 Lockville Road Pickerington, Ohio 43147. The total amount due must be paid when the return is filed. Checks or money orders should be made payable to the City of Pickerington Income Tax.

- (1) Average original cost of real and tangible property owned, rented or leased by the taxpayer for use in the trade or business. To determine the value of property rented and used in the business, multiply the gross annual rental by 8.
- (2) Gross receipts from sales made and services performed, regardless of where made or performed.
