FROM THE MAYOR

Winter is a time when you generally slow down and stay indoors. But that doesn't mean you can't stay active. Inside this guide you'll see fitness classes for all ages and activity levels, including basketball, yoga, karate and Zumba. You can also get outdoors and enjoy the new bird feeders and walk the trails in our parks. Our service department works hard to string the lights, wreaths and banners that illuminate

downtown. Finally, there are a number of special events you'll want to be a part of. The Christmas tree lighting and PVA Holiday Gathering is a great night for families. One of my personal favorite traditions is the Mitten Tree, which was started by a dear friend many years ago. Stop by City Hall and donate mittens, hats or scarves and after they're done adorning our tree, we will donate them to local families in need. I hope this season is a peaceful one for you and your family and that you take time to enjoy all that Pickerington has to offer.

Mayor Lee Gray

New bird feeders have been installed at Victory Park and Disc Golf Course.

Come out and enjoy bird watching in the parks throughout the winter.

Frequently Asked Questions

- 1. I would prefer not to register online, can I register over the phone?**
- A: We cannot take registrations over the phone. If you prefer not to register online, you can send in a Registration Form and return to 100 Lockville Road.
- 2. I have an online account with Pickerington for taxes or utilities. Do I use the same login to register for programs?**
- A: Our systems are separate. You will need to create a new account through the Parks and Recreation online registration website.
- 3. I have a Pickerington address (or my child goes to Pickerington schools), but my street is not listed on the City of Pickerington Street Listing. Do I still receive Resident pricing?**
- A: If your street is not listed, your address falls outside of Pickerington City limits even though you have a Pickerington mailing address. Many addresses with Pickerington mailing addresses are in Violet Township but are outside Pickerington City limits and not subject to Pickerington City income tax (Pickerington Local School District school district taxes are separate).
- 4. My street is listed on the City of Pickerington Street Listing, but I cannot select "Resident" when trying to register. How do I ensure I am charged the City Resident Discount Fee?**
- A: Your account has not been setup as a Resident. Please call 614-833-2211 to have your account updated. The system will not allow you to select the appropriate fee on your own; it must be updated by the Parks and Recreation Department staff.
- 5. My account has been setup as a Resident previously, but the system is still showing Non-Resident pricing. Why?**
- A: This is most likely because you have added a new family member after your account was updated or created a duplicate account. Our system will default as a Non-Resident every time a new account is created - even if the main member has already been updated to Resident pricing. Please call 614-833-2211 to have your new family member's residency updated. There is also a chance you have created a duplicate account. If you created a new household account using a different/new email address, the system will not link to your previous account. Please call 614-833-2211 to troubleshoot your account.

City Resident Discount Fee

In order to receive the City Resident Discount Fee, you must live within the City limits of Pickerington. A complete Street Listing is available on the website. A household includes one set of parents or legal guardians and their children (26 years and under) residing in the same household. If more than one family resides in the household, each family must setup their own household. Babysitters, grandparents and extended family members are not included in the same household. Even though you have a Pickerington mailing address, or live within the Pickerington Local School District, you may not live within City Limits.

Cancellation Policy

The Parks and Recreation Department reserves the right to cancel activities based on low enrollment. Decisions to offer activities are based upon pre-registration numbers and made 48-72 hours in advance of the start date. Register early to help avoid a cancelled or closed out activity. If an activity is cancelled or closed, you will receive a full refund in the form of a check; no cash or credit card refunds. Refunds take about 3 weeks to process.

Refund Policy

Refunds will be made only before the start of an activity, pool season or facility reservation for one of the following circumstances and a \$15 processing fee will apply:

- When the activity or pool season pass refund is requested at least seven (7) days in advance (except where otherwise noted) of the first activity meeting, provided it does not reduce the participation level below the required minimum.
- When the facility reservation refund is requested prior to two (2) weeks from the scheduled date of use.
- When a refund request is completed and approved by the Parks and Recreation Department.
- No refund will be given for activities under \$15.
- No refund will be given for materials purchased.
- No refund will be given after the start of an activity.

Please contact the Parks and Recreation Department at 614-833-2211 to request a Refund Request Form. Refunds take about 3 weeks to process.

Snow Removal Notice

The Service Department staff does its best to keep the streets of Pickerington clear and safe during the winter months. Your cooperation and assistance is greatly appreciated. As winter approaches, please be advised of the following information on snow plowing by the City:

- City workers clear the main roads first, then side streets, and then subdivisions. It may be necessary to stop where they are and return to the main roads during instances of heavy, continuous snowfall.
- Please do not park cars on the streets during snow removal. This helps the plow drivers clear the streets and also avoids cars being "snowed in." Please see Ordinance Section 452.16 Snow Emergency: Parking Ban for complete information at www.pickerington.net.
- It is up to each resident to make sure the postal service carrier can reach your mailbox for delivery. Snow can strike a mailbox, mailboxes that are properly maintained usually are not affected. It is the responsibility of the property owner to maintain mailboxes to withstand snow and wind and to repair them if they are damaged by snow removal. The City will not replace mailboxes damaged as a result of rotten posts or negligence.
- We make every effort to keep from plowing snow into driveways, but in most instances, it cannot be avoided. Before your street is plowed, push or shovel the snow or ice to the LEFT side of your driveway (as looking at your house from the street); this will minimize the amount of snow and ice that gets pushed back into your driveway from the snowplows. Snow being pushed into the street by residents clearing their driveways is dangerous and is also illegal. We are unable to plow out individual driveways and appreciate your understanding and cooperation if snow is pushed onto your property.
- The City of Pickerington is not responsible for damage occurring to basketball poles and/or nets placed in the city's right of way or extending over the roadway; however, the property owner is responsible for the damage to city vehicles as a result of these objects. These objects are not only unsafe in the right of way, but illegal as well.
- Cul-de-sac plowing is especially difficult as plows cannot easily turn or have a place to put the snow. Snow will not be placed in the middle of the cul-de-sac turnaround due to safety concerns.

For more information, contact the Service Department at 614-833-2292.

Outdoor Winter Recreation

Looking for some outdoor activities you can do this winter?

- Victory Park ice rink will open this winter, weather permitting. Open daily from dawn to dusk. Check the City of Pickerington Facebook page to see when the rink has officially opened for the season.
- Sycamore Creek Park sled hill is located behind the Pickerington Senior Center. The gate for the Covered Bridge Lane entrance will be closed on snowy days for sledding safety. Parking is available at the end of Hereford Drive.
- Disc golf can be played all year. The course remains open, even in winter.
- Cross Country skiers can find some nice open space at Sycamore Creek Park or the Disc Golf Course.
