AN ORDINANCE ADOPTING THE 2019 GENERAL FEE SCHEDULE FOR THE CITY OF PICKERINGTON

WHEREAS: The City of Pickerington has adopted a General Fee Schedule for the City; and

WHEREAS: Finance Committee has completed a review of all fees charged by the City and recommends amending the General Fee Schedule to reflect the increased costs of services provided where necessary and to incorporate fees for new services provided; and

WHEREAS: Per Ordinance 91-94, Water and Sewer Capacity Fees increase by three percent on the first of January of each year; and

WHEREAS: Per Ordinance 2011-57, Stormwater Capacity Fees increase by three percent on the first of January each year; and

WHEREAS: The City Manager shall review annually the General Fee Schedule and provide an adjusted fee or charge to the City Council for its consideration so as to recover the full costs necessary to provide the listed service; and

WHEREAS: Should it become necessary to establish a new service fee or charge during the year, or increase an existing fee or charge, the City Manager may set the fee administratively. Any such fees or increases set by the City Manager shall be reported to the Finance Committee of Council at its next meeting and unless amended or disapproved by Resolution of Council within 30 days after such report or found to be contrary to the Charter, they shall become effective. The new service or fee will then be included in the next rate review.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF PICKERINGTON, FAIRFIELD-FRANKLIN COUNTIES, OHIO, A MAJORITY OF ITS MEMBERS CONCURRING:

SECTION 1: The Pickerington 2019 General Fee Schedule, attached hereto and incorporated herein as “Exhibit A”, is hereby adopted to reflect the 2019 General Fee Schedule to be used by the City of Pickerington.

SECTION 2: This ordinance shall be effective on the earliest date provided by law.

ENGINEERING PLAN REVIEW FEES

The City Engineer reserves the right to bill for plan reviews that become necessary.

Plan reviews require a $250.00/sheet deposit. Additional plan reviews are invoiced at cost plus 5%.

ENGINEERING INSPECTION FEES

Engineering Inspection conducted by Staff: 7.5% of cost of improvement

Third Party Testing/Inspections: Actual Costs + 5% Administrative Fee

The Ohio registered professional engineer who is responsible for the project construction drawings shall prepare a certified estimate of the construction cost based on unit prices. The cost estimate shall be signed, sealed, dated, and shown in tabular format using the pay item number according to the City of Columbus specifications. This estimate shall be submitted to the City Engineer for review and approval. The estimate needs to separate private costs from public costs. The approved public portion of the estimate will be used to determine the surety amount that is required prior to release of plans. In no case shall the surety be less than $1,000.00. In addition, an as built surety in the amount of $2,500.00 + $150.00/sheet is required prior to plan release.

Late payments will be assessed a 1.5% fee (18% per annum) every month after 60 days past due.

Utility deposit fee – To establish service there shall be a $100.00 deposit fee for all renters.

Water shut-off reconnection fee – There shall be a $50.00 reconnection fee charged for all water shut off due to non-payment.

Water meter test – To test a ¾ inch meter the charge shall be $25.00, meters larger than ¾ inches the charge shall be cost of labor to remove the meter and cost of the test.

Water meter purchase – City cost plus 20%

Water line inspection - $40.00 per inspection

Sewer line inspection - $40.00 per inspection

As of: 1/1/19
**Meter set inspection** - $40.00 per inspection

**Water connection charge for non-assessed property** – A charge of $10.00 per foot for areas within the Municipality and a charge of $10.50 per foot for areas outside Municipality.

**Stormwater Utility Charge** – All properties having an impervious area within the City shall be assigned an Equivalent Residential Unit (ERU), or multiple thereof, which will be a minimum one ERU. All improved single-family residential properties are assigned one ERU. A flat rate of $4.50 per month will be charged to these properties.

All properties having an impervious area which are not improved single-family residential properties are to be assigned by the City Manager an ERU multiple based upon eighty percent of the properties estimated impervious area (in square feet) divided by 2,530 square feet (one ERU). This division will be calculated to the second decimal.

**Stormwater Capacity Fee** - $1,021.46 per ERU for each building permit for new housing or commercial development.

**Urban Forestry Fee** – Upon application for a building permit for construction of a new building or structure on any lot in any single-family residential zoning classification, the subdivider, owner or builder of such building or structure shall pay an urban forestry fee to the City’s Urban Forestry Fund in the amount of $641.89 per lot.

**Water Capacity Fees** – Rates shall be charged according to the location of the property to be served, the size of the connection to be made, and the demands on the system associated with particular usages.
