June 2018

Dear Pickerington Citizens:

Pickerington currently has five boards and commissions that rely on citizens for input and ideas. In addition, “ad-hoc” temporary committees may be needed for various issues. To keep all of these boards and commissions moving, we need plenty of volunteers. For your review and information, here is a brief description of each of the Boards and Commissions for which you can volunteer:

**Parks and Recreation Board.** If you are interested in parks in general or specifically the Pickerington Parks Department, perhaps you would enjoy serving on this Board. This Board works with our city staff to recommend parks activities, improvements, and growth of the parks system. They also have the responsibility of advising council on the planting of trees throughout the City, including our parks, along city streets, and in other areas, and they plan our annual Arbor Day activities. The Parks and Recreation Board meets on the second Monday of each month.

**Planning and Zoning Commission.** This Commission is responsible for the growth in our community, both commercial and residential. The Commission makes zoning decisions, makes recommendations on annexation and development issues, and makes decisions about the look and layout of commercial developments within the City. The Planning and Zoning Commission meets on the second Tuesday of each month.

**Board of Zoning Appeals.** This Board reviews and makes decisions regarding requests for variances from the existing Zoning Code. The Board of Zoning Appeals meets on the fourth Thursday of each month if needed.

**Personnel Appeals Board.** This Board deals with any human resource dispute within the City and meets on an “as needed” basis.

**Tax Review Board.** This Board deals with any appeals to the City’s income tax ordinances and meets on an “as needed” basis.

If you are interested in exploring this further, please fill out the application on the reverse side of this notice and return it to the attention of the City Clerk, Heather Moore, at City Hall, 100 Lockville Road. These applications are kept on file for one year and as opportunities or vacancies occur, you will be considered.

Thank you for considering this opportunity.

Sincerely,

Pickerington City Council
