[FOR INTERNAL CITY USE ONLY]

Upon receipt of impact fee receipts (Form C) and other documentation from the Building Department, this form will be completed by the Finance Director. This form is intended to ensure that impact fees received by the City are accounted for and placed in the appropriate impact fee trust funds, which are appropriately designated, or earmarked, by public facility type. Impact fee funds may be spent only on the public facility for which they were collected. Any interest earned on monies deposited into impact fee trust funds must be credited to such accounts. Impact fees may be spent and encumbered by the City only as provided by Chapter 1486 of the Codified Ordinances.

Note: In the event of an inconsistency between this form and the Codified Ordinances, the provisions of the Codified Ordinances govern.
